AHEPA Chapter Ogden #184

Like in many small and medium sized Greek Orthodox Parishes, Ogden Chapter #184 members are active supporters of and leaders at Transfiguration Greek Orthodox Church from serving on the parish council to providing Psaltis for the liturgies and teaching Sunday School to leading and supporting the annual Ogden Greek Food Festival.

In its **94** years, our small chapter scholarship fund has helped over 50 college students with over 160 scholarships totaling over \$160,000. We have also raised over \$70,000 for Local, National and World Charities.

WELCOME TO OGDEN

WE ARE RUGGED AND RUSTIC, YET COOL AND URBAN.

Just 35 minutes from SLC International Airport and with the bulk of the area comprised of the Uinta-Wasatch-Cache National Forest, visitors in search of open space and fresh air explored our hundreds of miles of [hiking and mountain bike trails](#), rivers teeming with trout, and [reservoirs](#) for dipping a paddle or chasing largemouth and smallmouth bass, crappie, perch, bluegill, tiger muskie and walleye.

From the fun to the downright funky, Ogden, Utah is anything but your typical mountain town. Our three world-class [ski resorts](#), located just 20 minutes from downtown Ogden, enjoy 450 inches of powdery snow each winter and offer abundant summer recreation and programming.

But Ogden isn't just for adrenaline junkies with an outdoor jones. History buffs can explore [museums](#) celebrating everything from our significant railroad history to Ogden-native, John M. [Browning's](#) earliest firearm designs. Families can expand young minds with interactive experiences with [dinosaurs](#), [military aircraft](#), [nature](#), [history](#) and more.

Our vibrant [arts and culture](#) scene is evident in a myriad of galleries, installations, murals, festivals, and performance venues.

Dozens of independently owned and operated [restaurants](#), [breweries](#), and [distilleries](#) are sure to satisfy any palette.

If sports and athletic competition is your thing, enjoy a bit of small-town baseball in one of the most scenic [ballparks](#) in the U.S., or watch international athletes compete in championship [Xterra off-road triathlons](#) or [Spartan races](#).

Whatever you do with your daylight hours, be sure to end up on [Historic 25th Street](#) for a bit of [shopping](#), [dining](#), and [nightlife](#) to recharge before your next day's adventure.
